Chapter 1 by Emster

I was shivering with fear. It was almost my turn. They had said that for the evaluation, everything is fake. But it has caused some terrible things to the people that have survived it. It's different for everyone. Based on their skills and talents. At least that's what the government says. Never trust them. My parents did survive it, yes. But for what cause? Fighting for their lives... killing others. The test. That was what I'm going through.

"Number four please step inside." the speaker said. I am number four. It was my turn. To die. Or to live.

Chapter 2 by Joshua Rieth (Bobj2008)

I nervously walk inside the dark room shaken with dread and fear. I hear the door behind me close, the room getting darker. My heart beating faster, I turn around to open the door to instead feel no presence of it. As soon as my eyes adjusted to the dark surroundings, I notice the change of pressure and a table form out of nothing. Shapes is what started to form. Was this the test, I wondered.

Chapter 3 by Bean

I took a deep breath and then I heard a noise. I turned around to see what those shapes? There was a handle of steel in the air and it was coming towards me. I turned around and ran around the room.

I looked up and what I saw was a bright light.

In the air were letters arranging themselves into words. It said: YoUr TEsT iS bEgInNInG. Wow, it's time. And what's with the weird capital letters?

OMG. My attention was turned to the obvious test. Here I go.

Please DON'T die! And I stepped into the blinding light that formed a portal. To where? I don't know. But here goes nothing!
